

CATEGORY: *Consumer Voted*

You have done the hard work creating your product or brand. If you know people love it, you need to enter. Choose the category where your product shines, and simply enter. That's all you need to do. When consumer votes open, we'll let you know so you can let your customers know. Encourage them to vote for you if they genuinely love what you do!

EACH AWARD VOTED BY YOUR CUSTOMERS

BEST PRODUCT: WELLNESS

A wellness product is one that contributes to people's wellbeing. It may be an App, a program, a device, a supplement. Think wearables, plant based supplements, infrared devices or anything that people are using and feel better for doing so.

BEST SKINCARE PRODUCT: BODY

This range is specifically designed for your body to improve the appearance of your skin. Whether it is hydration, toning, muscle soreness, exfoliation or tanning. It's that product you lather on your body with 100% faith it delivers what it says it does.

BEST SKINCARE PRODUCT: FACE

This range is specifically designed for your face to improve the appearance and constitution of your skin. Whether it is hydration, fine lines, pigmentation, elasticity, acne, rosacea or other skin condition. This is the go to product you put on your face when you need a pick up'.

BEST PRODUCT: HAIR

This category is for any product that prevents those bad hair days. It can be a hair wash, oil, mask, conditioner, colour, treatment or device that leaves your locks feeling and looking healthy.

BEST HOLIDAY EXPERIENCE

Whether a destination or an experience at a destination. Think a guided walk through rainforests, a cooking class on a farm, learning to paint from an elder or a meditation class at the edge of a cliff. Anything that creates a special memory to last a lifetime.

BEST WELLNESS RETREAT

This category includes destination retreats where people go to do wellness-based programs. It also includes specific expert hosted retreats that maybe experienced in various locations.

BEST INDIGENOUS EXPERIENCE

There are so many wonderful Indigenous experiences to enjoy. A walk through the daintree, a smoking ceremony at an event or a treatment inspired by our elders. Time to celebrate and recognise these culturally rich activities.

BEST SPA

This is your ultimate destination where you go for the treatments you need to feel better emotionally, physically or spiritually. It may be a day spa, hotel spa, resort spa or medi spa... any place that provides you an escape and experience a million miles from stress.
